

GRADUATE CERTIFICATE IN HEALTHCARE

Learn from Those Leading Change in the Healthcare Industry

Today, healthcare systems face unprecedented complexity. Become a next-generation healthcare leader who can inspire others during times of continual change and disruption. The Graduate Certificate in Healthcare's three graduate-level courses teach practical business lessons in just 9 months. Students will also benefit from the ability to leverage the expertise of fellow healthcare professionals in class.

Gain these specialized skills:

- Strategically solve complex problems within the healthcare industry.
- Understand the core concepts of service delivery, payment and insurance, and various business models within the healthcare sector.
- Develop healthcare management strategies.
- Effectively communicate policies, practices, and procedures.
- Apply Six Sigma principles throughout healthcare companies.

Plus, get all the other benefits that JWMI's top-ranked MBA program offers:

- Rigorous and real-world leadership training that you can apply on the job the next day.
- Access to our exclusive video keynotes from Jack Welch and dozens of top CEOs from today's leading companies and from within the healthcare industry such as Berkshire Hathaway, Starbucks, Cleveland Clinic, Home Depot, Medtronic, Boeing and more.
- Top-tier faculty with practical business experience, not just academic credentials.
- A 100% online classroom format that can be accessed anywhere even on your mobile device.
- Dedicated academic advisors and communication coaches.

Who Should Enroll:

- ✓ High potential healthcare professionals, leaders, and administrators
- ✓ Experienced managers aspiring towards a career in healthcare
